*Verse1* Now Jesus was going up / On His way to Jerusalem / To be lifted up on a tree / That he might draw all men unto Him / The multitudes began to praise Him / While others were trying to stop them / But Jesus said “If these hold their peace / The stones will surely cry out” *Chorus* And here is one less stone / One more voice / To praise the mighty name / The name of the Lord / And here is one less stone / One more to praise Him / Blessed is the King who comes in the name of the Lord *Verse2* Now David was a man of praises / Praising God in the sanctuary / He praised Him on the trumpet and the harp / And he praised Him in a dance / I don’t wanna offend nobody / But I’m gonna worship Jesus / Cause He said if I hold my peace / The stones will surely cry out / *Repeat Chorus*
