St. John - Chapter 10: Verses 1, 2 and 7

¹Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber.

²But he that entereth in by the door is the shepherd of the sheep.

⁷Then said Jesus unto them again, Verily, verily, I say unto you, I am the door of the sheep.

IN ALL THINGS PRAISE THE LORD

Verse1 I don't have silver and gold / The house I live in is getting old / The bills are coming in / No use to worry cause I got a friend / Oh I'm a millionaire / To know I'm the sone of the man from Galilee *Chorus* Gonna love Him when I got no shoes / Gonna love Him when I got the blues / Gonna praise Him on a mountain top / Through the valley I don't wanna stop / Gonna love Him through the good and bad / In all things praise the Lord *Verse2* I never been a president / But my Father is the King of the World / I don't have fancy things / No Cadillac or a diamond ring / Oh I'm a happy man / With Jesus in my soul and / I know I've been born again *Tag* When times are bad / When times are good / I walk by faith / And not by sight / It's alright it's alright it's alright

THIS SO SWEET TO BE REMEMBERED

Verse1 Oh, there were times in my life / I didn't think nobody loved me / I'd go sit on the front porch / Cry a little bit from the misery / Just when I thought the whole world was dark and cold / I had an old dog, he'd come and lick the tears away *Chorus* Tis so sweet to be remembered / Feels so good to be loved / Just to know you're not forgotten / Tis so sweet to be remembered *Verse2* I was walking down a lonely road / I was lost and I had no one to turn to / I called on all my friends, called out every name I knew / But when I called on Jesus Oh He answered me / I love you, child I was here all the time *Verse3* Oh there where times I walked down through the valleys / Oh there were times I thought I'd reached the end / But I felt two-nailed scarred hands around me / It's true that Jesus is man's best friend *Tag* Tis so sweet He remembered / All those times I let Him down / He still loved me / Waiting patiently with arms open wide / Tis so sweet He remembered

NEVER GIVING UP

Verse1 Old Adam was a good old man / 'Til he ate the fruit of that tree / Oh there are times when we're tempted and tried / By the devil Oh he's full of lies / Oh I hear him say turn around / Bu Oh no, devil, you're a clown *Chorus* No, I'm never giving up / No I'm gonna finish this race / I've come a long long way from Hell, And now my life is alive and well, And I'm never, never giving up *Verse2* Resist the devil and he'll flee from you / We've got the Word and it's a two-edged sword / Oh don't you know that we sometimes fall / We got to get up and grow tall / Oh how long must we wait to get inside those pearly gates *Tag* I always wanted to be a winner / Now I'm running on a winning side / Jesus Christ is the only way / And in His arms is where I'm gonna stay

LIFE BEGINS WHEN YOU'RE BORN AGAIN

Verse1 Hello my friend / Are you tired and heavy / Traveling a road that's going nowhere / Won't you turn around and get a glimpse of something that's real / Won't you get a hold on something you can feel / And life begins when you are born again *Chorus* Except a man is born of water / Except a man is born of the Spirit / He will never see that Promised Land / That's waiting over there / That is made for all God's children in the air / And life begins when you are born again *Verse2* Why don't you call on the name of Jesus / And He'll help you understand / You don't need to wait no longer / 'Cause The Kingdom is at hand / And life begins where you are born again *Verse3* I used to be a walking dead man / Existing in a world of sorrow / But then I met a Man who changed my life / From darkness to the Light / He took the right from wrong and / He made the wrong things right / And life begins when you are born again

LOOK

Verse1 Oh, Look at the people, look at the children / Look at the world today / Look at the Bible / Read all about it / Don't it make you wanna pray / no doubt about it / Go out and shout it / My Lord is on His way / Singing Hallelujah / Jesus / Come take us away *Chorus* People crying, people dying / Sorrow has hit the land / Doctors killing little babies and puttin 'em in a garbage can / How can hearts grow Oh so cold / They know that is not the way / Jesus Christ the Lamb of God is coming back any day *Verse2* Mr. Rich Man / Can you loan me / can you loan me just a dime / You keep on walking / You keep on talking / You don't even give the time / Earthquakes shaking everywhere / I wish it would shake your mind / Wars and wars and rumors of wars / Look at the signs of the time

I'M A FANATIC

Verse1 I hear people talking / Saying I've gone off on the deep end / Saying I've got religion / Telling that I've been born again / Well listen to me people / What you say is true / I've become a fool for Christ and I agree with you *Chorus* I'm a fanatic / Oh I'm crazy 'bout my Lord / I'm a fanatic / Call me anything you want / Well I love the Lord with all my heart / With all my soul and mind and when it comes to Jesus / I'm a fanatic *Verse2* Well I used to go to ballgames / Everybody shouting and clapping their hands / Then I got to thinking how much more should we praise the Son of Man / No one else but Jesus has ever died for me / That's enough for me to shout and praise His holy name *Verse3* We I used to be addicted to the party lights and smoking that dope / But when I met Sweet Jesus / I threw it down and / He gave me the Holy Ghost / And if you could only feel the joy that's in my soul / You'd be singing this same song and shouting all the way

EVERYBODY WANTS TO GO TO THE MOON

Verse1 When I was young / I'd got to bed at night / And I'd say my prayers / And turn out the lights / I'd look at the moon / Shining thru the trees / So far away but yet I could see / Man has finally gone there but / Oh, he's still searching / Looking for a kingdom / He's looking is the wrong place *Chorus* Everybody wants to go the the moon / Drive around the stars in a space lazoon / Oh Listen to me, mister / I know a better place / Would you like to walk on streets of gold / Fly around Heaven and you will never grow old / Your trip is already paid / Thanks to Jesus Christ *Verse2* I always knew somewhere there's a place / Somewhere up there in outer space / It's called Heaven and / Oh, we're going there / All God's children from everywhere / But some are still a-searching / Going around in circles / Looking for His Kingdom / They're looking is the wrong place

THANK GOD FOR JESUS CHRIST

Verse1 I was once a sinner / Living in the dark / I met a Man who changed my life / He shined His Light on me / He changed my direction / And now I'm looking up / A prisoner that once was blind / But now I can see *Chorus* And I wanna thank God for Jesus Christ / And I wanna praise His Holy Name / I wanna thank Him for His Grace / And I wanna thank god for Jesus Christ *Verse2* Born in a manger in Bethlehem / Emmanuel which is God With Us / Came to save the world / But He was rejected / And hung on a tree / The blood that flowed from down His side / Has washed and set me free *Tag* Jesus is the answer for the world today / We are saved by grace through faith in Him / And I praise His name cause He's don so much for me / And I just wanna say

COME ON HOME TODAY

Chorus Come on home today / While there's light / Darkness sings a lonely tune / Come on while you can / Don't waste time / Christ is coming very soon *Verse1* You've been away for a long long time / And you're getting tired / The same old life that you live each day / Is getting next to you / You work each week just to earn a dime / For the Saturday / And after the weekend you ask yourself / What's wrong with me / Oh, my friend, there's more to life than that / Jesus Christ is where it's at / Oh He's reaching for you now *Verse2* Sometimes you talk about the time when you're laid to rest / You make all your plans and you choose a place and / Even pick the suit you'll wear / All of this is fine and good but what about your soul / Don't you think it's time to take life insurance / Jesus Christ has the policy Life Eternal and it's free / Oh, He's calling for you now

HEAVEN OR HELL

Verse1 Lord, I know you're coming soon / I've looked inside your book / And I see the writing on the wall / Wise men are still seeking God / But some just never learn / They've got a long way to fall *Chorus* Hell --- Fire / Pain --- Sorrow / Forever's such a long long time / to remember you could have changed your mind *Verse2* Long ago on Golgotha's hill / A Man gave His life for you / But sometimes love is blind / Oh what pain but think of the love He gave / Hanging there with nails in His hands / Was it all in vain *Verse3* There is a place called Heaven / Where there is joy and no more sorrow / Only believe on Him that gave His life for you / The choice is up to you / Which one do you choose / Heaven or Hell
