I Was The Nails

Words and Music by: Gary Turner

VERSE1: If I were the ground where Jesus knelt down to pray / I would have told Him I loved Him / In so many ways / I would have liked to have been the flower / That drank of His tears / I would have reached up to touch Him / And comfort Him there
CHORUS: But I was the cup He was to drink of / I was the hurt He felt inside / And I was the nails that held Him there / And He was the answers to my prayers
VERSE2: I would have liked to have been the purple robe / They made my Jesus wear / I would have wrapped myself around Him / And showed Him I care / And if I was a robin looking down from the tree / I would have sung Him a love song / "How Could This Be" (Repeat Chorus)
BRIDGE: And if I were the Sun I too would have hid my face / And if I was the Earth I'd tremble and shake / And if I was the clouds I would thunder and cry Oh Oh / But I was the spear that pierced His side (Repeat Chorus)
