Verse1 There's a train a coming / And it's rolling down the line / Picking up passengers / Gonna leave the world behind *Chorus* Are you ready, oh, oh, oh, / Are you ready right now / Are you ready, oh, oh, oh, / Are you ready right now *Verse2* Don't know when He's coming / But I feel it can't be long / When we get on board now / Gonna sing a brand new song *Repeat Chorus* *Bridge* Ready or not, here He comes / All God's children everywhere / Let's ride away, ride away / Come on let's ride away, ride away *Verse3* Destination heaven / Got my ticket in my hand / Got my faith in Jesus / Take me to the promised land *Repeat Chorus*

Verse1 On my way down, destination was hell / I was caught in a trap and I couldn't get loose / I was drifting away into the night / Then I woke up from an endless sleep / The glory of the Lord moved in my life / I'm not going down cause I found the light *Chorus* Jesus took me higher / Higher than I've ever been before / Jesus took me higher / Higher than the eagles soar / Jesus took me higher *Verse2* If only you could see where He brought me from / Then you would know what I'm talking about / I'm free as a bird that flies in the sky / Now I am loose from the chains of death / Only Your love could have lifted me out / Since I found You, I'm on a spiritual high *Repeat Chorus Twice*

Verse1 So many days I felt like I was alone / Walking through the night, searching for light / Sometimes I felt like I was on an island / Then Jesus came and made everything right / And like a ship that was lost out at sea / Jesus came and then He rescued me *Chorus* I, I can depend on You / I, I can always count on You / When others let me down / You're always around / To pick me up and love me like I've never been loved / I can depend on You *Bridge* Nobody knows just what tomorrow may bring / In this world we live, nothing's for sure / I only live from day to day with the Lord *Verse2* For every situation, Jesus can cure / And you may feel like you've been left all alone / Just try Jesus, you'll be singing this song *Repeat Chorus* *Tag* I, I can depend on You / I, I can always count on You *Repeat Tag*

Verse1 I've been out on the ocean / I looked out on stormy seas / I heard the tide as it rolled in / I felt it pulling me / Just before my life sailed away into eternity / I heard a voice saying follow me / I wanna be your friend *Chorus* Just to know Him is to love Him / Just the mention of His name / Makes me feel alive / Just to know / Him is to love Him / This world would be a better place / If they would realize / If you knew Him / Then you would love Him too *Verse2* Now if your life's in danger / You feel like you're alone / It seems as though where you stand / It feels like sinking sand / There's a friend who'll stick to the end / Through the pain and strife / Call on Jesus where you are / He can save your life *Repeat chorus Tag* You would love Him too / You would love Him too *Repeat Tag*
