## Special Thanks

Thanks to the Lord Jesus Christ for His help and comfort through the recording of this CD.

Thanks to my wife Twyla and her patience with me.

To all my children who I love dearly.

To all my family who have always been there for me.

To Simeon Strickland who is as much of this recording as myself...You are a great brother in the Lord who I cherish deeply.

To Taylor Guitars, Melancon Guitars and Peavey Electronics

To Andy Elliott for all the adjustments on my guitars...

Last and not Least...To the "Love Of My Life" Twyla...Without you this song would never have been...Thank you and the Lord for making the most impossible a reality...I love you very much!

This CD is dedicated to my dad who went to be with the Lord on 10/06/07. My dad is the one who taught me to play the guitar. When I was just a little boy at 12 years old, he would say these words, "Son you need to make that guitar talk". Thanks, dad for all you taught me. Your life will live on through me and I will let the guitar say whatever the Lord would have it to say. I miss you very much.

Verse1 I still remember when we met / I saw heaven in your eyes / And to this day I can't forget / All of the love I felt inside  
Chorus You're the love of my life / My only lover in the night / You filled the missing place inside / The day you became my wife / Forever baby you will be / The love of my life  
Verse2 We'll face tomorrow when it comes / And we want let time slip away / We'll take each moment one by one / Enjoy each other everyday  
Repeat Chorus Bridge No one will ever take your place / You're the only one for me / This never failing undying love / Is gonna live for eternity  
Repeat Chorus
