## Special Thanks

To the Lord of all creation for fulfilling His Word in my life. Jesus, you know what I feel in my heart for You, and "Thanks" somehow could never measure what I really want to say. But again, thank You so much for all You've done for me.

To my faithful wife, Twyla. You made the scripture come alive by being the greatest "helpmate" I could have ever found. To all my children and grandchildren. You have added so many wonderful days to my life. I love you and I thank the Lord for each of you.

To my mother and dad: There are moments I think of you through tears. It is at these times I thank the Lord for allowing me to have a mom and dad like you. I thank the Lord for each year of your life. I love you.

To my brothers Rayborn and Clayborn I love you and appreciate your dedication to the Lord through all the years. You have inspired me. God bless you, your wives Sissy and Becky, and your children.

To my sister Dorothy: You were always more than a sister, you were like a "little" mother to me. I love you.

To my father-in-law and mother-in-law Mr. and Mrs. Mallard Guy, my brothers-in-law and sisters-in-law, my daughter-in-law Christal and sons-in-law Pat and Moses, all my uncles, aunts, cousins, nieces, and nephews.... (let me see...did I forget anyone?....) I love you all.

To Pastor Rick Hawkins: I now know what it really means to be a "covenant" brother. You've taught me so much and I thank you and your wonderful wife Sister Robin and family. And to the great church, you pastor Family Praise Center, San Antonio, Tx., I love and appreciate you all so much. Brother-to-Brother, you've blessed me, and I will always be so grateful for you. Oh, by the way, thanks for the choir on "Glory Hallelujah" and your input on this project.

To my brother-in-law Pastor Lloyd Bustard: Brother I want to thank you, Sister Pam, Kyle, Lauren, Pookie, and World Worship Center, Charlotte, NC.: All the years I have known you. I just feel through time the Lord has truly allowed us to grow in Him and to write songs that came down from the Father of Light. The best years are ahead!

To Pastor Marcellis: Thanks for your words of encouragement. You really show the joy of serving the Lord...you are a great brother and what a great Church you pastor.

To Mr. and Mrs. Tracy Water: There were days when I needed a lift in my spirit, and I would receive a phone call from you. You truly are great friends, and you make me smile.

To Martin Case and family: Brother I just thank you for your steadfastness in the Lord. I have observed you for years and I am very impressed.

To Keith Thibodeaux and family: Where would I be today had it not been for you telling me about Jesus Christ. I can't imagine living in this present world without Him. So, thank you Brother for being my friend and your faithfulness to the Lord and David and the Giants all these years on the road.

To the family as Christian Life Fellowship, Lemon, MS., I am so honored in being a part of you and you a part of me. Thank you all for the prayers and your love through the years. You mean so much to me. Thank you for understanding the call the Lord has placed upon my life.

To Pastor Fred Roberts and family, Brother Mike Ramon and family, and Pastor Isaac Jacobs of Durban, South Africa: You and the wonderful people there gave me an unforgettable memory of your precious country. Thank you!

**When Mercy Found Me** is a song that is particularly meaningful to David. When asked about it, he replied,

*“This song was inspired during a recent trip to Africa. As much as we need the mercy of God in America, it seems like they might need a little more mercy since there are so many people over there who have never heard the Gospel of Christ.”*

## Blue Eyes Like Janey's

Words and Music by Robby Rennert

© Copyright 2003 by Giant Records, Inc. Published by Here's My Heart Music BMI – All rights reserved.

*Verse 1* We were so young / And only playing around / And I was ready for adventure / Not for settling down / So when Janey told me she was pregnant / And that she wanted to be my wife / I said wait a minute Janey / We're only seventeen / We're just starting out our young lives / Let's keep our heads together girl / Let's look at all of our options / But we both knew what the choices were / There was abortion or adoption / And the doctor we saw, he said it wasn't really life / Just a formless mass of cells / So Janey and I, we made our choice / And we promised that we'd never tell / But leaving the clinic, we heard some talk / And it shattered our little world / The doctor was telling the nurses / That the baby was a girl *Chorus* Would she have brown hair / Did she have blue eyes / I've tried to imagine what she would look like so many times / Would she be a tall girl / The questions on my mind / Did she have blue eyes like Janey's / And brown hair like mine *Verse 2* I say Janey just the other day / In a pro-life movement line / We were in front of the court house steps / Praying and carrying signs / And Janey came up to talk to me / And there were tears in her blue eyes / She said there has been millions of innocent babies / Like ours have already died / And I can't stand on the sidelines anymore / And watch that number grow / Not after what you and I've gone through / Not knowing what we know / I still wake up late some nights / And think I hear her call my name / And I still have her photograph / In an empty picture frame *Repeat Chorus*

***Dedicated in memory of all the aborted babies who never had a chance in this life.***
